Dear Mr. Casey:

On behalf of the leaders of the United States Global Strategy Council, I would like to invite you to a Global Strategy Forum on Wednesday, January 26, 1983, at the Washington Room, Army & Navy Club, 1627 I Street, N.W., Washington, D.C., from 2:00 to 6:00 p.m.

Copies of the meeting agenda, our current list of founding members, and of our "Statement of Purpose" are enclosed.

At this Global Strategy Forum various Council members will make presentations on the problems that concern us, the Council's objectives, and our developing action program. I will also comment on and provide copies of a draft "Global Posture Statement" for Council consideration.

The Council is a tax-exempt private citizens organization founded in 1981 to advance global strategic thinking in the United States, and to promote the development and implementation of a comprehensive global strategy. Because of your special interest in these topics, we would be delighted to have you with us during the discussions and the press conference/reception which will wrap up the meeting. We would especially appreciate hearing your views on our goals and activities.

I hope that you will be able to join us. In any case, we welcome your questions and suggestions concerning the Council.

Cordially yours,

Ray
